What's an IML?

The 2019 Texas Trail Roundup is a step in having our walking weekend sanctioned by the IML, which we hope will happen in 2020. The IML is a "cousin" to the IVV and the AVA; it fosters health and encourages friendship between people all over the world by promoting multi-days walking events. They now have 27 participating countries, each hosting an event. **For more info: imlwalking.org**
