

San Antonio Greenways and Cycling Network

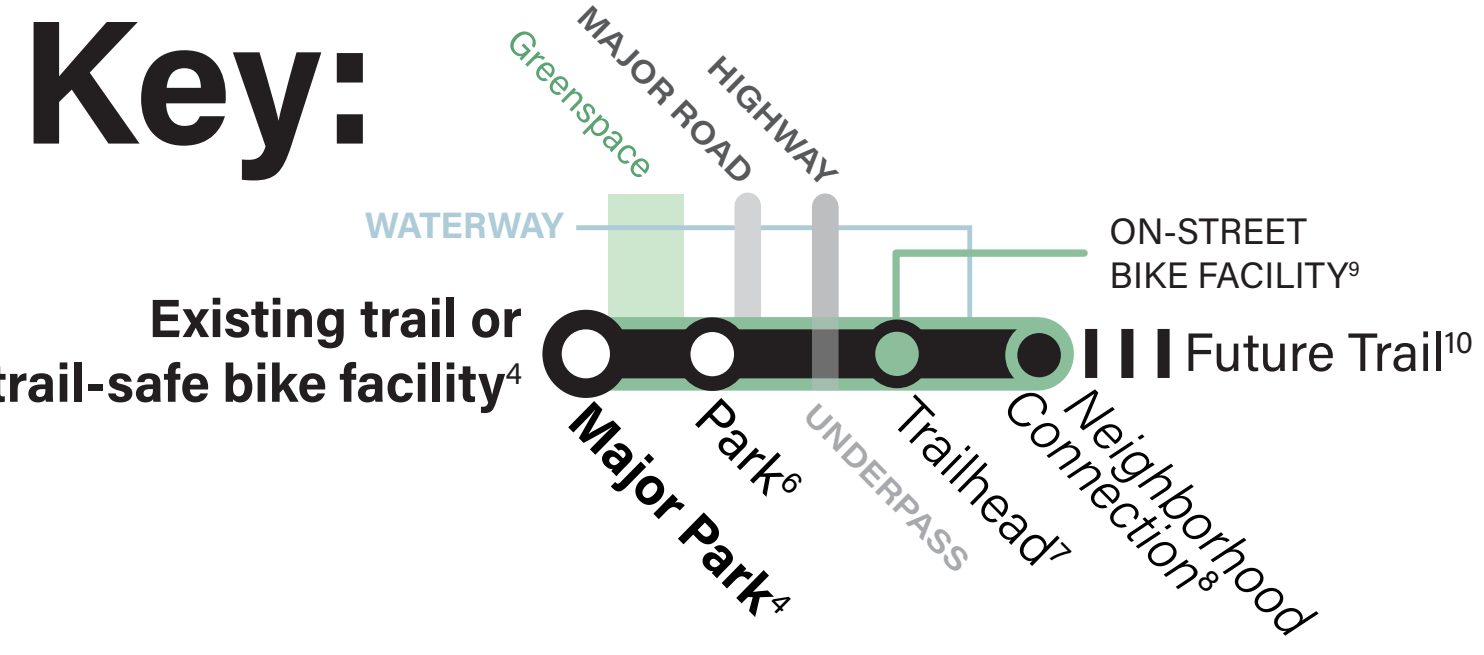

AS OF FEBRUARY 2023

A diagram of the City of San Antonio's Howard W. Peak Greenway System, the San Antonio River Authority's Mission Reach Trail, and adjoining bike facilities.

West Side Creeks Greenways SA River Trails¹ Medina River Greenway Salado Creek Greenways² Leon Creek Greenways³

Key:

- The SA River Trails include the Mission Reach, Acequia Trail, Brooks Greenline, Museum Reach, Spirit Reach, and Olmos Basin Greenway.
 - The Leon Creek Greenway includes the Culebra, French, Huebner, Huesta, and Maverick creek greenways, the Floyd Curl Greenstreet, Hausman, and UTSA multi-use paths.
 - The Salado Creek Greenway includes the Beitel Creek and Mud Creek Greenways.
 - Greenway colors shown here for each trail seek to balance the City of San Antonio's chosen colors in their Greenway Design Guide with accessibility and legibility.
 - Major Parks feature large parking lots and various other facilities including restrooms, water fountains, splash pads, playgrounds, ball fields, and dog parks, among others.
 - Parks feature parking lots and usually have other facilities including restrooms, water fountains, and playground equipment, among others.
 - Trailheads have small parking lots and may feature porta potties, bike repair stations, and water fountains.
 - Neighborhood Connections are publicly accessible links from roads to greenways with limited facilities such as wayfinding signs. Most do not have parking or water fountains.
 - Bike lanes shown here are only those that either directly adjoin a greenway or safe-cycling facility, or are proximate enough to be a key component of an on street connection.
 - Future Trails include those funded by the 2022 City of San Antonio Bond, Bexar County/SARA's River and Creeks Program, and trails seeking granted funding sources.
- Author's Note:** Creating a legible map requires trade-offs on what to and what not to represent. If you have thoughts on this map - please reach out: sabikemap@gmail.com
- Disclaimer:** This map is not (exactly) to scale and not officially endorsed or sponsored. Check with City, County, and SARA webpages for info on park and trail closures and events.
